Our Team Grows!

(Thanks to your prayers and support)

We're excited to tell you about a trained and excited brother in Christ who's committed his efforts to our work in India. He is Robert Charnock. His name is pronounced with the 'Ch' as in Charlotte, NC.

Here's his own introduction to you:

My name is Robert Charnock. I live in Covington, TN with my wife, PJ (Patricia Jeanette), and our three young boys, Eli (9), Noah (7), and August (4). In 2007, PJ and I were converted through the evangelism efforts of the college group of the Jacksonville church of Christ (AL), and on May 9th, 2009, we were wed. After graduating, I worked full-time with *House to House/Heart to Heart*, the largest evangelistic effort of the Lord's church in our generation.

Because of my time with *House to House* and *Polishing the Pulpit*, I developed a passion for preaching the gospel, rather than becoming a band director as I had originally intended.

In the fall of 2011, P.J. and I began studies at the Memphis School of Preaching, graduating in 2013. I had started preaching some time before that, and have been preaching ever since.

I have preached in KY, AL, and TN. Now, I am excited to begin working with David Nance and the Jersey Village

Church of Christ in the India mission work, hoping to accomplish much for the Lord in His kingdom there!

Through the years, I have heard many reports about the various mission works that our brethren have been conducting in various places, and with each report, my interest in being involved in foreign missions has grown. Even in the areas where persecution takes place, I have been encouraged by the perseverance of the missionaries, as well as the natives, to keep the faith and to keep on preaching.

In particular, I have heard more reports from India than from any other place. I have always been so very impressed with the fertile soil there, and all the souls that our brethren

have been able to reach. However, it seems that no matter how successful the mission work goes, it appears as though there is hardly a dent being made into their enormous population.

Thus there's a great need for more workers in that region of the Lord's vineyard. The fertile soil of India, and the size of the task, are what draw me to that particular mission field so much. I have wanted to be involved in mission work for a long while, but I wasn't sure how to begin. I am thankful to God that Dave approached me with this great opportunity. I am very excited about serving the Lord in the India mission field and look forward to meeting you!

The Elders, Rachel Dickey and I welcome Robert and his family to this great work. It's an exciting time for the Lord's church both here and in India and by God's grace we're committed to redoubling our efforts.

Please feel free to encourage Robert! His address is 500 S. Tipton, Covington, TN 38019. His email is Roberto.Charnock@gmail.com and his phone is (901) 671-6942.
