A Great Past Year—An Even Greater New Year!

By God’s grace, we’ve been granted a chance to see a new year, the Year of Our Lord 2024! Of course, our prayer is with John: “Even so, come Lord Jesus” (Revelation 22:20)

Of course, none of us know what the coming year will hold, except to say that we know the Lord will bless us with the opportunity to do great things in His name, til He come.

So it is very good for us to review some of the things which the Lord has allowed us to be a part of in this past year.

In our work, the Church of Christ India Fund, we have been blessed to have held 9,477 evangelistic meetings. Of course, these take various forms, including gospel meetings in church buildings, those in streets and even some in denominational buildings. But it also includes personal Bible studies with non-Christians, small group meetings in people’s homes, and even impromptu Bible studies at many places where Christians encounter non-Christians.

Thinking about this, it means our team is averaging 182 such meetings per week, or 25 per day. What a blessing to be a part of this!

Also, our workers have reported 671 baptisms this year! This is fantastic, a praise to God and His Savior Jesus! But

it’s important to remember that in all of these numbers that we don’t have the completed reports yet for the year. As these come in, these numbers will grow!

Yet even with our incomplete reports, this indicates approximately 13 baptisms per week, almost 2 per day, every day of the year!

So let me take the time now to thank God for allowing us to be a part of this work. And thank God for your prayers, along with your generous and reliable financial support.

You will also notice that to the right is our annual financial statement. To this point, we have not had to cut any of our work in India, but you will also notice that we’ve spent \$51,413.29 more than we received in donations. Inflation is taking its toll — increasing our expenses while decreasing our donations.

Please keep these things in mind as you plan your giving for 2024. Our team in India us using these funds well, and so please pray and help us overcome this shortfall!

2023 FINANCIAL STATEMENT
